United Kingdom

FOUNDED IN 1983, THE BERMONDSEY ARTISTS' GROUP IS AN ARTIST-LED INITIATIVE SUPPORTING CGP LONDON AND CREATING OPPORTUNITIES FOR ARTISTS WHO LIVE, WORK OR STUDY IN SOUTHWARK.

AS AN ARTIST MEMBER YOU WILL:

- \* Have the right to vote in Annual General Meeting
- \* Receive information on opportunities and collaborations such as selected group exhibitions
- \* Receive substantial discount on submissions to the Annual Open Exhibition
- \* Provide valuable support to CGP London's wide range of activities
- \* Have the potential to be voted to represent the B.A.G. on the Board of Trustees

The annual membership fee for the Bermondsey Artists' Group is £30 or £20 for students or recent graduates (2 years), with renewal occurring in April. To apply for membership, please complete this form and send it together with examples of your recent work/ website address, a current CV.

Your work will be considered by the Bermondsey Artist Group representatives on the Board of Trustees, who meet a minimum of twice annually to accept applicants to the group. All applications will be accepted provided that the work, provided you are a visual artist working within our guidelines and in our their opinion, is not racist, sexist or demeaning to others.

Once your membership has been accepted you will be sent information to set up a standing order for your membership and as soon as the first payment is made you will officially become a member of this group.

Visual artists from all sections of the community are strongly encouraged to join the group.
